

Papua New Guinea...

by

Nelson Nebaro Jr.

Fast flowing rivers to Hercules mountains,
Diverse culture and hundreds of local dialogues.
Unpredictable weather patterns,
And a healthy marine environment.
Friendly people with a lot of smiles.

Islands up to the Highlands,
Rituals are dear.
Spirits of the ancestors as well,
Customs reflect our past,
And modern skyscrapers reflect our present.

I love my Island home.
I love my highland roundhouse.
I love Papua New Guinea.
