

# **My Story in Port Moresby**

I am Jack from Southern Highlands Province. My village is called Munima and it is in the Tari District.

My story is about how I face life in Port Moresby with no support.

In 1997 I came up to Port Moresby from Tari in Southern Highlands Province. When I arrived in Moresby I had no choices where to stay and I had nothing.

I started chewing betlenut and smoking drugs, stealing and so on.

But most of the time I sell Buai and smoke, and also I sell drugs, to make a living.

This is what I used to do everyday and it is in my blood. I am still living in the 8 Mile Settlement in Port Moresby with the same life.

That's the end of my story and this is the life I am facing.
